As a declaration is essentially an assurance that the details of a resume are accurate, begin with writing a statement that the provided information is true at the best of your knowledge.

➤ **PROJECT**

An EFFICIENT EXAMINATION SYSTEM FOR BLINDS WITH REAL TIME VOICE INTERFACE:

Our project, through the use of speech technology, attempts to provide solutions for some of these issues by creating an interactive system. Thus, the application will help increasing an environment that provides equal opportunities for all the students in taking up competitive exams. This will important this web application will provide the online survey for students. Students can register and select the exam which they want to give. Student can view the result immediately. Faculty can manage the whole survey.
